Happy Thanksgiving from Center For Siouxland!

It's Thanksgiving time and we're counting our blessings. I am so grateful for all the individuals, organizations, and businesses that help us make a difference in Siouxland all year round. We couldn't help people, empower lives, or build futures without an awful lot of assistance from people that value what Center For Siouxland brings to the community.

The people and organizations I'm indebted to are truly too numerous to list here, but I've highlighted a featured few below. Thank you! Thank you! Thank you! And have a great Thanksgiving...

Community Support

Let's hear it for some local grant sources who supported new Center For Siouxland projects this year!: MRHD, Iowa Commission on Volunteer Services, City of Sioux City, Ronald McDonald House Charities, Gilchrist Foundation, Sioux City Community Foundation, Bank of America.

Let's thank some local businesses for donations and sponsorships: Tyson, FiberComm, US Bank, J.D. Gordon Advertising, Wells Fargo, Great West Casualty, Siouxland Federal Credit Union. And thanks to some local church groups for all they do: Interfaith Resources, Morningside Lutheran Church, St. Michael's and Sacred Heart.

Volunteers

Like so many of our volunteers, Anna Fetterman is a wonderful asset to Center For Siouxland. She began as a monthly volunteer with SHARE, an early morning food distribution program, four years ago. Right away she assumed a leadership role and became a valued part of the SHARE team. She also sought additional volunteer opportunities and joined the ranks as a certified tax preparer, helping us to complete over 500 free tax returns each year for Siouxlanders. Anna is always here to lend a helping hand. Thanks so much, Anna!

We are grateful to Anna and all the volunteers who give their time and talent to the community throughout the year. You can register to be a volunteer too, and locate opportunities that interest you at our [Siouxland Volunteer Center](#).

Staff and Board

Center For Siouxland is lucky to have skilled and dedicated staff to do the important work of helping people and building a community that cares. Our staff members have an average of 12 years experience in their positions and many have certifications that make them uniquely qualified to empower families and build futures.

We're guided by our Board of Directors who donate their time to provide oversight and direction for the agency. We are so thankful for the expertise and resources they bring to our organization!
